Canada skincare launch checklist

Pre-launch control list

- ☐ Confirm the product meets the Canadian cosmetic definition and screen all claims.

- ☐ Prepare the exact Canadian label and formula data, including ingredient concentrations for the CNF.

- ☐ Identify the Canadian manufacturer or importer and keep their contact information aligned with the label.

- ☐ Submit the Cosmetic Notification Form within 10 days after first sale and save the case record.

- ☐ File amendments within the applicable time when the formula, brand name or notifier information changes.

Use this list as a project-control aid. It is not legal advice; confirm the final route, local party and submission timing with the relevant authority or qualified local advisor.
