China skincare launch checklist

Pre-launch control list

- ☐ Classify the product as general or special cosmetics before establishing the dossier route.
- ☐ Appoint a China domestic responsible person for an overseas registrant or filing person.
- ☐ Build the formula, ingredient safety, efficacy-claim, testing, product-standard and label dossier.
- ☐ Complete filing for general cosmetics before import/marketing or registration for special cosmetics as applicable.
- ☐ Set annual reporting, adverse-reaction, change-control and recall support responsibilities.

Use this list as a project-control aid. It is not legal advice; confirm the final route, local party and submission timing with the relevant authority or qualified local advisor.
