EU skincare launch checklist

Pre-launch control list

- ☐ Appoint an EU Responsible Person before the product is placed on the market.

- ☐ Complete the CPSR and maintain a complete Product Information File (PIF).

- ☐ Verify formula, safety assessment, label, claims and GMP evidence against Regulation (EC) No 1223/2009.

- ☐ Submit the required notification in CPNP before market placement.

- ☐ Maintain serious undesirable effect, corrective-action and PIF update processes.

Use this list as a project-control aid. It is not legal advice; confirm the final route, local party and submission timing with the relevant authority or qualified local advisor.
