Skincare market-entry checklist

Pre-launch controls

- ☐ Confirm cosmetics classification and ASEAN ingredient / label compliance.
- ☐ Set up the local dealer and PRISM access before product notification.
- ☐ Compile product particulars, local company details, label and safety support.
- ☐ Submit the cosmetic product notification before supply and retain the acknowledgement.
- ☐ Plan annual re-notification, amendments, adverse-event and recall reporting.

Project-control aid only. Confirm the final route and obligations with the applicable authority or qualified local advisor.
