Skincare market-entry checklist

Pre-launch controls

- ☐ Confirm the Thai notifier, facility / import readiness and product route.
- ☐ Prepare Thai language label, formula, product type and condition-of-use details.
- ☐ Compile the Jor.Kor notification package and supporting PIF documents.
- ☐ Complete Thai FDA notification before marketing and record the notification receipt.
- ☐ Control changes to product particulars, facilities, labels and local records.

Project-control aid only. Confirm the final route and obligations with the applicable authority or qualified local advisor.
