## Great Britain skincare launch checklist

### Pre-launch control list

- ☐ Appoint a GB Responsible Person and agree responsibilities in writing.
- ☐ Compile a current PIF and CPSR for the GB product version.
- ☐ Confirm English label information, GB Responsible Person details and country-of-origin statement where required.
- ☐ Notify through SCPN before the product is made available in Great Britain.
- ☐ Keep claim evidence, adverse-effect escalation and corrective-action records current.

Use this list as a project-control aid. It is not legal advice; confirm the final route, local party and submission timing with the relevant authority or qualified local advisor.
